*“Engineering refers to the practice of organizing the design and construction [and, I would add operation] of any artifice which transforms the physical world around us to meet some recognized need.” - GFC Rogers*

**THIS MONTH:**

## OKLAHOMA STATE UNIVERSITY BRANDING SUCCESS, VISION 2025

**MIKE BUCHERT**

**&**

**NIGEL JONES**

## SPEAKERS

### MIKE BUCHERT

Mike Buchert - Director, Long Range Facilities Planning (LRFP). Directs the implementation of all academic and research projects that have a construction cost of \$2.0 million or more on the Stillwater and Tulsa Campuses. In addition, LRFP governs the OSU Master Plan.

### NIGEL R. JONES

OSU University Architect, works in the office of Long Range Facilities Planning providing master planning and architectural design oversight for academic building projects. Born and educated in Britain he earned his architecture degrees at the University of Newcastle-upon-Tyne. He taught in Britain, Jordan and at the University of Arkansas before coming to Oklahoma State University in 1987 where he joined the faculty as a professor in the School of Architecture teaching Architectural Design Studio and History Classes in Greek & Roman and British Renaissance Architecture. Professor Jones also served as the academic advisor to the undergraduate Bachelor of Architecture program from 1990 until 2006. His book *"The Architecture of England, Scotland and Wales"* was published in 2005. An architect registered in Oklahoma Nigel Jones has designed buildings in Britain and the US including two houses in Stillwater.
